Catalogue 2019-2020 V1

Pool Loungers- Aluminium frames & Composite Wood

Manufactured with multiple frame and composite wood colour - pgs 13-15

Evaglade Lounger

Designed with modern clean lines, chic and stylish. Manufactured with aluminium tubing and Eva-Last composite wood slats, ensuring minimal maintenance and backed up with a five year Warranty (T&C Apply).

Pool Loungers- Aluminium frames with Textilene Panels

We offer multiple frame and textilene colour choices- see pages 13-15

Umdoni Lounger

Meticulously designed and crafted. Sleek, stylish and the durable textilene panels provide comfort without cushions.

Ideally suitable for soft surface areas like grass and sand.

Riversdale Lounger

Elegant design features with curved leading edges. Manufactured with or without arms that are plain or with Kiaat hardwood trim detail. We only use heavy duty 2x2 Textilene material for the back and seat panels.

Pool Loungers- Aluminium frames handwoven with rugged Synthetic Rattan- see pages 13 to 15 for colour choices

Houghton Lounger
 Luxurious, solid and practical manufactured with a straight or curved base. One of the only loungers we produce with a double seat option.

Selbourne Lounger

The curved seat and back sections provide ergonomic relaxation comfort . Manufactured with or without armrests.

Pool Loungers- Aluminium frames handwoven with rugged Synthetic Rattan- see pages 13 to 15 for colour choices

Cape Country Lounger- A modern low lying design with the cushions positioned in a uniquely designed handwoven frame. Adjustable back rests for supine comfort or an all weather bed.

St Francis Lounger

A typical mid-century Italian styled outdoor chaise. Hand crafted with aluminium frames and handwoven seat and back panels. Offered with or without wheels.

Pezula Lounger- a take on neo-classical French patio furniture design

Pool Loungers- Manufactured from Hardwoods

Sealed before delivery, we recommend all wood furniture is maintained every 12-24 months

Komati Lounger

Clean lines and low slung offers inviting modern comfort. Handcrafted and factory sealed for the outdoors.

Silver Lakes Lounger

Influenced by 1960's Scandinavian styling but with a modern edge. The Silver Lakes range epitomises strength and simplicity. Robust, heavy and thus suitable for any windswept spaces.

Goose Valley Lounger

Relaxed and refined with unique curve detail on the upper support frames that glides on top of the linear base.

Exquisite craftsmanship and attention to detail. Every component individually hewn from Kiaat hardwood and assembled with precision.

Pool Loungers- Manufactured from Hardwoods

Sealed before delivery, we recommend all wood furniture is maintained every 12-24 months

KIAAT WOOD - is an exotic hardwood with superior weathering qualities and a striking grain

Beachwood Lounger - solid, sturdy and heavy; made from Kiaat or Saligna hardwoods. Ideal for high wind areas. Adjustable back rests for reclining or taking an afternoon nap.

Evaglade Kiaat Lounger- Kiaat wood slats fitted into an all aluminium frame.

Homestead Lounger- manufactured with hand hewed solid Kiaat wood components

Saligna Lounger- makes exclusive use of Saligna hardwood, includes a nifty pull out side tray

Langebaan Lounger - a sleek, low lying lounge with a distinct pop-art design influence

Day Beds- with or without canopies

Clovelly Daybed- an iconic design daybed, manufactured with an aluminium frame. Meticulously woven with 6 mm braided polyester rope

Erinvale Daybed- A definitive Daybed, aluminium frames woven with 7mm half round synthetic rattan. Offered with or without a folding canopy.

A Selection of Classic Relaxation Seating

Adirondack

The iconic chair with surprising comfort is made from Saligna wood and available in multiple spray painted colours

Beach Chair

An all time favourite, this timeless vintage chair is made with a Saligna wood frame and finished with a colour choice of panels

Directors Chair

Le Coup - An all aluminium frame, woven with a choice of synthetic rattan colours. Supplied with or without a stand
